

Application Form

We are delighted to announce that we have a new addition to our annual awards line-up, and an incredible opportunity for our industry's apprentices. The Engineering Apprentice of the Year Award will recognise the enthusiasm, innovation and imagination of up-and-coming engineers and manufacturers.

Is there an engineering apprentice in your team who has stood out and deserves recognition? Managers or supervisors are invited to submit an application on their behalf for the Scottish Engineering Apprentice of the Year Award, giving them the opportunity to be recognised for their work, and for our winner the chance to win our award trophy and £500, presented at the annual awards dinner on Thursday 23rd May in Glasgow.

Criteria

The winner will be invited to attend our Annual Awards Dinner where they will be presented with the trophy.

- > Entry is open to individuals currently enrolled in a recognised apprenticeship
- > Entrants should be employed in the engineering industry based in Scotland.
- > Those submitting an application should detail how the apprentice has stood out and/or gone above and beyond within their role and demonstrated enthusiasm, innovation and imagination throughout their programme so far
- > This is an individual award – unfortunately we cannot accept joint applications or group applications

Reviewing of applications

- > All applications will be acknowledged via email and then reviewed by our panel of judges.
- > Successful candidates (or, the “Shortlist”) will be invited to an interview accompanied by their sponsor where they will make a brief presentation to discuss their experience with the judging panel

Submitting your application

- > The submission deadline is **5pm Friday 8th March 2024**
- > Applications should be no more than 500 words and can include images to illustrate the application
- > Applications should include relevant information about the candidate and a description of why they deserve the title of Engineering Apprentice of The Year.
- > As the first round of judging will be made on this submission, it is important that you give as much information as possible within the word count available
- > Upon completion, please send your application by email to sarahsimpson@scottishengineering.org.uk who will be in contact with further application instructions.

Policy

- > Judging will be based solely on the information submitted
- > Decisions reached will be regarded as final after the winners have been announced.
- > Scottish Engineering reserves the right to publicise entries but will make an appropriate acknowledgment of the entrants and their employers.
- > Our winner will be displayed on our social media platforms and the Scottish Engineering website.
